

# Your Complaint Rights Under the Workforce Innovation and Opportunity Act (WIOA)

Although there are some differences in the established timelines for the processing and resolution of the three types of complaints, it is both the implicit and express interest of this agency that all persons and/or organizations filing complaints shall be afforded fairness and due process in the investigation and resolution of their charges.

As an individual or entity you have certain rights regarding services you have received through the WIOA program. These include the right to file a complaint. There are three types of complaints that can be filed and they must be done within certain time frames.

## **WIOA Program Complaint –**

You feel a program rule or process was not properly applied to your situation.

## **Discrimination Complaint –**

You feel you have been discriminated against based on your race, age, religion, national origin, sex, political affiliation or belief, age, disability, or citizenship status, as a lawfully admitted immigrant authorized to work in the United States.

## **Fraud and Abuse Complaint –**

You believe you have information exposing fraudulent activity or abuse of the program.

## **How Do I Resolve It?**

- **A WIOA Program Complaint** can be taken to three levels, at any of which it can be resolved.
- **First – At the Local level with the WIOA agency you are working with**
  - Must file within 1 year from date of incident
  - Upon filing the complaint, an informal conference will be held within 10 days
